01 Company Overview

STAREX TRADING LLC (ستاركس للتجارة ذ.م.م) is a Dubai-based limited liability company, established on 27 July 2021 and actively engaged in international commodity trade and logistics services across the United Arab Emirates and beyond.

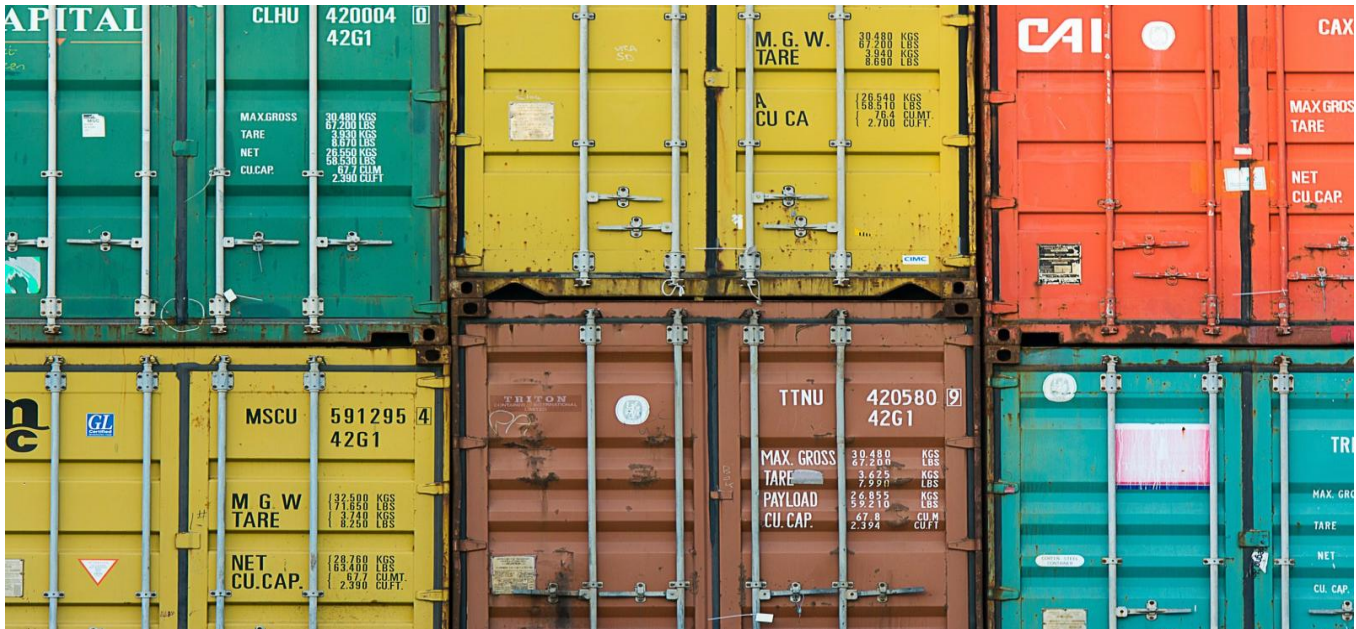

STAREX TRADING LLC is a commodity trading and logistics solutions provider operating globally from its UAE base. The company specializes in sourcing, importing, exporting, and distributing a wide range of food commodities, combined with integrated supply chain services.

STAREX combines international trade expertise with end-to-end logistics, offering customers a comprehensive door-to-door supply chain solution that includes freight forwarding, customs clearance, warehousing, cargo handling, and transportation by sea, air, rail, or road.

02 Vision & Mission

Global freight movement — the foundation of STAREX's integrated logistics network

VISION

To be recognized as a leading provider of reliable, efficient, and cost-effective logistics and trading solutions in the international commodity market.

MISSION

To build and maintain strong business relationships rooted in honesty, integrity, and customer satisfaction — ensuring prompt, safe, and affordable delivery of goods globally while creating sustainable value for stakeholders.

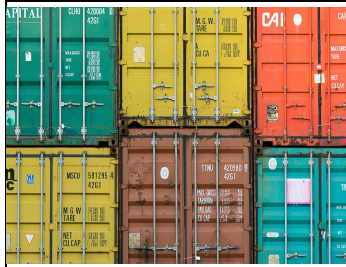

03 Core Values

- ▶ Customer First — customised service built around each client's specific requirements
- ▶ Integrity & Trust — honest, transparent dealings across every transaction
- ▶ Reliability — safe, timely delivery of cargo to anywhere in the Gulf and globally
- ▶ Competitive Excellence — always bullish in the most competitive markets, delivering at the best cost
- ▶ Continuous Improvement — staying ahead of market trends to deliver innovative trade solutions

04 Core Services

STAREX TRADING LLC offers a broad range of integrated trade and logistics services, covering every stage of the supply chain from origin to final destination.

International Freight Forwarding & Logistics

End-to-end transportation planning and execution via sea, air, rail, or road tailored to customer requirements, with the best shipping routes and rates across all international borders and ports.

Customs Clearance & Consultancy

Handling import and export documentation, tariff and duty advisory, terminal handling, and full clearance processes — including Export/Import Customs Clearance (Air/Sea), Project Cargo Clearance, and Duty Drawback Claims.

Warehousing & Cargo Handling

Storage management, dock stuffing, and unpacking, with continuous monitoring of cargo safety during transit. Our team manages incoming cargo in storage facilities with allowances for special goods.

Supply Chain Solutions & Door-to-Door Service

Integrated logistics engineering including route planning, carrier selection, and on-time delivery coordination — delivering a complete solution from origin to final destination.

What You Get

- ▶ Custom House Agent & Clearing / Forwarding Agent
- ▶ Sea & Air Freight Forwarding
- ▶ Logistics Solutions & Cargo Handling Services
- ▶ Warehousing / Dock Stuffing
- ▶ Door-to-Door Delivery Services
